Members of the Virginia Boat Club, who are to have their annual meeting to-morrow night, are taking a more active interest in the crews for this year than they have at any time past, as several crews will be sent to take part in the regattas to be held during the Jamestown Exposition. Boat clubs from all over the country will enter the competitions at the exposition, and it is expected that the display here of water craft from the tiny racing shell to the largest warship affoat will be the largest and finest ever exhibited in the world's history. The local club expects to enter many of the sporting events, and, with the assistance of a well-trained coach, the Richmonders should show up well in the competitions. The centre of the old speedway in Byrd Park is admirably suited to the purpose. The grounds are large enough for football and baseball, and there is ample room for the accommodation of grandstand and bleachers for the seating of the crowds. The establishment of such a park would be the best sort of encouragement for pure amateur athletics, to which it would give an impetus that would work for the good of everybody in the city who has a fondness for outdoor sports.

BONHAG WILL NOT RACE MEBRICH IN N. Y. GAMES

He Is Not in Condition to Compete with Experts.

NEW YORK, March 10 .- George Bon-(Special to The Times-Dispatch.) WILLIAMSBURG, VA., March 10.—George Bon-bag, the long-distance runner, has de-William and Mary College defeated Portsmouth V. M. C. A. by the overwhelming score of 48 to 13 in a spirited special college. The college of the colle

hag, the long-distance runner, has definitely announced that he will be unable to race in the three-mile run against Nebrich, the cross-country champion, and Tom Longboat, the Canadian Indian long-distance crack at the games of the New York Athletic Club in Madison Square Garden next Tuesday night.

Bonhag held off till the last minute before retiring from the race, as he had hopes that he would show a sufficient turn of speed during this week to warrant his taking a chance against these two star long-distance runners. However, this race promises to be a ratting long-distance encounter, even without Boshing. Frank Nebrich has notified Captain Hambold, of the New York Athletic Club, that in a private trial in the Buffalo armory, where Bonhag defeated Longboat recently in a three-mile race, in which the American record was lowered to 14:43-5, that he, Nebrich, recled off the distance in exactly 14:39, and feels that he can do even better with the Indian to pace him.
